

Building Our Children's Future

Making a Bequest

The Beehive Montessori School Building Program - Bequests

- > Your gift is personal and the variety of ways that it can be made will reflect your wishes. We would recommend that you involve your family in making decisions regarding your Will and seek the advice of a solicitor.
- > A gift as a percentage of your estate ensures that other beneficiaries will not be affected by any changes to your estate or intention.
- > A gift of a specific sum of money doesn't take into effect changes to your estate so you will need to review your Will on a regular basis.
- > A gift of the residue of your estate leaves a portion of your estate as a bequest after provision has been made to family and friends.
- > Other types of gifts can include making a bequest through your life insurance policy, a gift of assets other than money or a gift annuity.

Why should I leave a gift in my Will to the Beehive?

The continued investment into resources ensures Beehive's unique approach and its tradition of excellence in preparing our children for the diverse challenges of the future are maintained. This requires the ongoing financial support of those who are concerned about the future of the School and its students. By making a bequest, you leave a legacy that ensures an investment into the future welfare of the students of Beehive.

How will my gift be used?

Every gift, large or small will make a difference to the students of Beehive now and in the future. You can choose to make an unrestricted bequest that allows the School to utilise your gift in the area of greatest need at the time. Alternatively, your Will can indicate your individual wishes.

If you wish to indicate your support for the Beehive Montessori School by making a bequest or would like further information on making a bequest,

**please contact The Principal,
Rhonda Sheehan on 9383 1283 or email rhonda@beehive.wa.edu.au**
