Our latest special event is an Artist in Residence program with artist Dawn Meader, who is working with every student in the school to create a fabulous mural on the walls of our Junior Primary building.

The Adolescent Programme students worked with Dawn to cut the pieces from marine ply and paint an undercoat.

Then each Junior Primary student helped paint the leaves and petals.

The out walls of the building have been painted ready for the rest of the art work as it is completed.

The middle primary students are now involved with their contribution to the wall mural:
