

The Beehive Montessori School

presents

Schools of the Future

24th October 7.00pm-8.30pm

Adam Jorlen

Adam is a futurist and a member of the Association of Professional Futurists and the World Futures Studies Federation. In his work as Cofounder and Director of *enkel collective*, he helps teams and organisations make sense of trends and global shifts to anticipate and influence the future.

In this talk he will reflect on current trends in education and present a number of possible scenarios for the future of learning. We will explore how technology and shifting values in society will impact on our children's lives, and discuss how we can prepare them better for the future.

All parents and educators are very welcome to attend

Please RSVP by Friday 18th October
