

Workplace Health & Safety Policy

Policy

The Beehive Montessori School Inc. is committed to a risk management process that will promote, prevent and minimise injury to all individuals on the School's grounds – employees (including contractors), students, parents, guardians, volunteers and visitors.

Background

The School promotes the physical and emotional well-being of students, employees and volunteers.

The School has the capability to respond immediately to any situation where an employee, student, parent, volunteer or visitor is injured on-site.

Visitors and contractors working at the School are frequently not familiar with the environment.

Implementation

The School shall:

1. Have a risk management process that involves the following steps:
 - 1.1. Identify hazards;
 - 1.2. Assess risks of injury or harm arising from each identified hazard, including psychosocial risks;
 - 1.3. Address risks through implementation of control measures to eliminate or reduce them.
2. Strive to provide a safe physical and supportive environment.
3. Strictly comply with the law.
4. Ensure controls are put in place to eliminate, reduce or minimise risk and to minimise the extent of any physical or psychosocial injury or illness.
5. Ensure all Staff are aware of the Employee Assistance Program (EAP).
6. Ensure the Safety Officer/Representative thoroughly inspects the school buildings and grounds regularly to determine work required to maintain the physical environment and to identify hazards and record these hazards and remedial actions on the Hazard Identification form.
