

School Maintenance Policy

Policy

Beehive is committed to ensuring a respectful learning environment that is safe, positive and supportive for all students. The Beehive Montessori School implements the National Child Safe Organisation Principles through its Child Safe Organisation Framework to underpin all Beehive's policies, procedures, practices and strategies to ensure the provision of an environment where children feel respected, valued, supported and safe from harm.

The Beehive Montessori School is committed to maintaining the School environment and facilities.

Background

The School requires a safe, well maintained working and educational environment for students, staff, parents and visitors. The School maintains an Annual Maintenance and Replacement Schedule and an Assets Register to assist with this. The School's Annual Budget assigns funding for both routine, scheduled maintenance as well as major upgrade expenditure.

Implementation

1. Routine Maintenance-
 - 1.1. the School cleaners are responsible for the day to day cleaning of School buildings;
 - 1.2. a Safety Auditor audits the School premises annually and makes recommendations;
 - 1.3. the Safety Officer responds to these recommendations and delegates work as appropriate; and
 - 1.4. the School employs maintenance/grounds staff or contractors to maintain the School and grounds in accordance with the Annual Maintenance Schedule.
2. Preventative Maintenance-
 - 2.1. the School Administration is responsible for contacting relevant trade people and professionals as outlined in the Annual Maintenance Schedule; and
 - 2.2. the long term protection of the School's assets and the safety of School staff and students requires regular upkeep of School buildings, grounds, plant and equipment according to the Annual Maintenance Schedule.
3. Responsive Maintenance-
 - 3.1. there will always be maintenance issues outside of the Annual Maintenance Schedule that need attending to:
