FINANCIAL SUPPORT

Temporary assistance is available where families experience short-term financial difficulties through our bursary policy. If these circumstances arise, application forms are available from the website, and applications are dealt with by the bursary committee in the strictest confidence. Bursaries are applied to annual fees.

FAMILY DISCOUNTS (TUITION FEES ONLY)

For families where more than one child is enrolled, the following reduction in tuition fees will be applied:

Second child	8%
Third child	15%
Fourth+	100%

WITHDRAWALS / LATE STARTS

The Principal must be given a full term's notice in writing prior to the departure of a child from the school. **If notice is not given by the first day of the term preceding the child's departure, one full terms tuition fee will be invoiced to the family account in lieu of notice.** This includes students who are departing at the end of their primary schooling.

When a child is scheduled to start schooling more than two weeks into any given term, the fees payable will be calculated on a pro-rata basis. A ten week term is used for this calculation and your family fee account will be invoiced accordingly. You will be issued an initial statement and fee arrangement form with payment options included.

When a parent withdraws a child from the school for one or more full terms and wishes to retain their child's enrolment place, the fee payable will be 50% of the amount that would otherwise be payable. A full term's notice of such temporary withdrawal is required.

For non-attendance of less than one term full fees are payable.
