We are here to help!

Principal

If further discussion is required, or if considered more appropriate, an appointment can be made with the Principal through the office.

Board

We suggest communication to the Board be put in writing via email: board@beehive.wa.edu.au.

Is your query an EDUCATIONAL MATTER?

Child's Teacher

Your child's teacher is the one who knows your child best within the School and will be able to address any concerns you might have regarding your child's progress and developmental needs.

Please avoid informal discussion at the door at drop off and pickup. Please contact the office staff to schedule a suitable meeting time.

Principal

If further discussion is needed, an appointment can be made with the Principal via the office.

Board

The Principal has the final say on educational matters. However, if you wish to discuss further, please put your concerns in writing to the Board via email: board@beehive.wa.edu.au.
